Compensation: We value the contributions of the voice actors who help us bring our podcast to life, so we aim to compensate them better than typical rates when at all possible. At the

moment, we pay **\$4 per spoken line**, and that rate comes directly from the suggested "Per-line Model" from the *Indie Rate Guide*. For the purpose of our agreement, a "Line" is defined as an item of dialogue, which may include several sentences, as delineated by a pause or change in speaker between characters. All compensation to be paid by **Pale Matter LLC** through PayPal or E-check.

CHARACTER(S):

Adrian Colbeck (Male, 20 years old, youthful American or British (RP) accent)

Adrian (or "Colbeck"/"Cole") is a young, brilliant hacker, but generally naive. He is bright and enthusiastic, but socially awkward.

Colbeck = 4 episodes, approximately 63 lines.

Please read and record the following lines for this part:

COLBECK

(Just ran up 4 flights of stairs)

Kaia! Yannis!

(out of breath)

Hey... listen!

(breathing)

Oh my God!

COLBECK

(stunned)

What? That's soo illegal, Kaia!

Th-they'll kill us for that!

COLBECK

Ummm... oh my god, I got it!

We can use Jersey's old radio towers!

The process might take longer, but it should work!

COLBECK

(severely injured, struggling to breathe)

I'm not feeling so good.

Is it... bad? It's b-bad isn't it?

It's really... it's cold... in here.

[end]
